Driver's License Requirements

All customers will need to hold a full and valid licence, free from any endorsements as listed below. An expired licence or failure to provide a license will result in the rental being refused.

UK customers with a new photocard driver's licence must produce both the photocard and its paper counterpart.

Customers from outside of Ireland or the UK must produce a driving licence issued in their permanent country of residence, along with a translation into english (where appropriate). Only the customer or drivers approved by Avis are permitted to drive the vehicle.

We may require customers to consent to their licence records being accessed as needed.

If any driver has any unspent driving convictions for the following the rental will be refused:

- Careless, reckless or dangerous driving,
- Driving or attempting to drive whilst under the influence of drink or drugs
- Using a vehicle uninsured against third party risks
- Theft or unauthorised taking of a vehicle
- Been disqualified (or anything similar) in the last 10 years
- 2 or more unspent convictions for offences not listed above.

If you fail to disclose any driving convictions you may be fully liable for any damage to our vehicle or third party vehicle.

Age and ID Requirements

The customer must have been eligible to hold a valid driving licence for 8 years of which 2 years must be at a full driver's licence qualification.

To rent a people carrier, customers must have been eligible to hold a valid driver's licence for 10 years of which 2 years must be at full driver's licence qualification.

Waiver and Protection Options

Collision Damage Waiver (CDW)

This basic excess waiver limits the customers liability for damage to the Avis vehicle caused by means other than by theft or attempted theft. A non-waivable excess applies which is the customer's responsibility.

For customers who are only taking the basic cover, but not the additional cover (Super CDW) to reduce the excess to 0, at the time of rental we will take authorisation for the excess amount on the customer's credit card. The excess amount varies between 2000.00 Euro and 5500.00 Euro depending on size of the vehicle.

Declining Collision Damage Waiver / Theft Protection

Collision Damage Waiver (CDW) and Theft Protection reduce your financial liability for damage or theft of the vehicle.

By declining either of these you are taking responsibility to arrange your own cover and assume full financial liability up to the value of the vehicle for losses arising as a result of loss or damage to the vehicle. In the event of any damage, costs will be billed automatically to the customer's credit card.

Where the customer believes an arrangement exists regarding cover on their credit card we recommend that they fully understand the conditions of cover provided when using your card for insurance cover. We must explain that such an agreement is between them and their credit card company. Avis cannot guarantee any level of cover on their credit card.

If you decide not to purchase CDW and Theft Protection you will be required to pay a liability deposit of 5000.00 Euro at the start of your rental using your credit card. An administration fee of 30.00 Euro applies for the use of this service.

If you have your own insurance cover, you must produce a copy of your motor insurance policy at the time of rental.
